

Admission regulations for the 1st year at Troens Bevis Bible and Missions Institute

Referring to “Privatskolelova kap. 6A”

1. Applications for Troens Bevis Bible and Missions Institute are processed and the final decision is made by the director, or the one who the director gives authority to do this.
2. Active Christian ministry is required due to the school's practical profile and values of the practice places of the school. Active Christian ministry means that the applicant can document that he/she has had leader responsibilities or practical tasks in a Christian church/organization during the last 3 years. Another condition for admission is that the applicant is turning 18 years old during the admission year.
3. For students that don't need a student visa, the school has continuous intake until the first school day. If there are still available spots in the school by then, the intake will continue until September 28th during the year of the intake. We have the capacity of taking in 94 students after this rule.
4. The school accepts applicants from all countries except nationals in need of student visa from countries listed in the orange or red group in the UDI's guidelines for Visa practice (see the following links: [orange group](#), [red group](#)). Maximum 10 percent of the school's accepted number, which means 11 people, can be citizens from countries outside the EEA. This limit is only for citizens that have a residence permit for studies. For this group the school has a main intake January the 10th. Students outside the EEA area that apply for a residence permit for studies, must be able to show that a complete application¹ for visa/residence permit has been submitted within one month after the school has sent the confirmation letter of the approved study place. If this cannot be shown within the deadline, other applicants on the waiting list may be prioritized (see point 5).
5. At the main intake for the applicants outside the EEA (see point 4) the following priority list will determine who will be approved by the school (if more applicants than spots)
 1. The applicant is from one of our cooperation partners²
 2. The applicant lives in Norway
 3. The applicant is not older than 26 years during the admission year
 4. The time of the application

If the number of applicants who fulfill priority 1 exceeds the capacity of how many the school can approve, they will be evaluated according to priority 2 etc.

After the main intake the priorities above will determine the priority on the waiting list. This also goes for applications after January 10th. If there are any free spots left, the intake continues until September 28th during the intake year.

6. The teaching at TBBMI is given in Norwegian and English. 50% of the teaching is only done in English, the rest is translated between Norwegian and English. The students must have satisfactory English competence in order to follow the teaching. The applicants may therefore be asked to prove this through a Skype conversation with the office.

¹ A complete application means that it completes all the requirements mentioned on the UDI website. (see link [here](#))

² Cooperation partners are Jesus Revolution and Day&Night

7. An admission fee of 1000 NOK must be paid within 14 days after the student has been accepted as a student at TBBMI. This fee is non-refundable.
8. The applicant / student must meet the first day of school in order to receive his or her place unless something else is agreed.
9. Decisions on admission are individual decisions, cf. "Forvaltningsloven" Act § 2, first paragraph point b. The applicant has the right to appeal and have right of access to the case document cf. "Forvaltningsloven" Sec. IV-VI. The appeal can be directed to the County Governor.

Admission regulations for the 2nd year at Troens Bevis Bible and Missions Institute

Referring to “Privatskolelova kap. 6A”

1. Applications for Troens Bevis Bible and Missions Institute are processed and the final decision is made by the director, or the one who the director gives authority to do this.
2. Active Christian ministry is required due to the school’s practical profile and values of the practice places of the school. Active Christian ministry means that the applicant can document that he/she has had leader responsibilities or practical tasks in a Christian church/organization during the last 3 years. Another condition for admission is that the applicant is turning 18 years old during the admission year and that he/she has completed the 1st year of TBBMI with an approved result, and also paid the school fee for the completed year. Applicants that have completed similar studies as the 1st year of TBBMI (similar curriculum must be confirmed) may be accepted if he/she had leader tasks in a Christian church/organization during the last 3 years.
3. For students that don’t need a student visa, the school has continuous intake until the first school day. If there are still available spots in the school by then, the intake will continue until September 28th during the year of the intake. We have the capacity of taking in 94 students after this rule.
4. The school accepts applicants from all countries except nationals in need of student visa from countries listed in the orange or red group in the UDI’s guidelines for Visa practice (see the following links: [orange group](#), [red group](#)). Maximum 10 percent of the school’s accepted number, which means 11 people, can be citizens from countries outside the EEA. This limit is only for citizens that have a residence permit for studies. For this group the school has a main intake January the 10th. Students outside the EEA area that apply for a residence permit for studies, must be able to show that a complete application³ for visa/residence permit has been submitted within one month after the school has sent the confirmation letter of the approved study place. If this cannot be shown within the deadline, other applicants on the waiting list may be prioritized (see point 5).
5. At the main intake for the applicants outside the EEA (see point 4) the following priority list will determine who will be approved by the school (if more applicants than spots)
 1. The applicant is from one of our cooperation partners⁴
 2. The applicant lives in Norway
 3. The applicant is not older than 26 years during the admission year
 4. The time of the application

If the number of applicants who fulfill priority 1 exceeds the capacity of how many the school can approve, they will be evaluated according to priority 2 etc.

After the main intake the priorities above will determine the priority on the waiting list. This also goes for applications after January 10th. If there are any free spots left, the intake continues until September 28th during the intake year.

6. The teaching at TBBMI is given in Norwegian and English. 50% of the teaching is only done in English, the rest is translated between Norwegian and English. The students must have satisfactory English competence in order to follow the teaching. The applicants may therefore be asked to prove this through a
